## Indiana Dept. of Natural Resources—Division of Forestry Starve Hollow State Recreation Area

The Nature Center is currently closed for the winter. Winter shut down typically runs between December and April. Spring, summer and fall operational hours vary with available staffing, but will typically remain open 5 days per week between May and November.

If you wish to schedule an interpretive talk or school program you can contact Sandy Derringer at <a href="mailto:sderringer@dnr.IN.gov">sderringer@dnr.IN.gov</a> or call (812) 358-2160 or 358-3464.

If you are interested in volunteering at Starve Hollow or Jackson-Washington State Forest, now is a great time to get involved. We're currently in the early stages of developing a more formal volunteer program for these properties and are seeking volunteers to assist us in any fashion. If interested contact Brad Schneck at <a href="mailto:bschneck@dnr.IN.gov">bschneck@dnr.IN.gov</a> or call (812)358-2160 or 358-3464.

Continue to monitor our webpage for events, operation hours, and other property notifications or updates.

Thanks,

Management
